DIRECTIONS FOR USE:

APPLICATION DIRECTIONS: For turf grass of approximately 2.5 cm (1”) in height, apply 13 L/ha of **undiluted** Avigon 14.5. Dilute Avigon 14.5 according to the DILUTION DIRECTIONS prior to application to turf. Spray evenly on area to be protected to provide thorough coverage and allow material to dry before permitting human activity on the treated areas. Do not mow treated area for as long as possible after treatment. Repeat after 3 days if warranted by Canada goose activity.

DILUTION DIRECTIONS: Make sure spray equipment is clean before mixing. Shake or stir Avigon 14.5 container well prior to diluting. Mix Avigon 14.5 with water at a ratio of 1 part product to 19 parts water. For example, mix 1 litre of product with 19 litres of water to make 20 litres of spray mixture. Mix product outside or in a ventilated area.

USE RESTRICTIONS: This product may be used to repel Canada geese from golf courses and municipal parks. Do not apply to residential lawns or recreational areas of parks. This product must be applied using appropriate spray equipment, such as a pump sprayer or a power-blast sprayer. Do not apply when grass is wet or rain is expected or below freezing. Avoid direct exposure of honey bees to this product. Do not apply this product in the vicinity of hives.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Wash thoroughly with soap and water after handling. For terrestrial uses; do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment, wash water or rinsate. When handling, wear safety glasses, and dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C).

STORAGE: Store only in original container, in a dry place inaccessible to children, pets and domestic animals. Store apart from pesticides, fertilizers, food or feed that may cause cross-contamination from odour. Keep container closed when not in use. Store above 0 Celsius – Do not freeze.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: There is no specific antidote for this product. Apply symptomatic therapy.

DISPOSAL:

- 1) Triple- or pressure-rinse the emptied container. Add the rinsing to the spray mixture in the tank.
- 2) Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
- 3) Make the empty container unsuitable for further use.
- 4) Dispose of the container in accordance with provincial requirements.
- 5) For information on the disposal of unused, unwanted product, contact the manufacturer or provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the ***PEST CONTROL PRODUCTS ACT*** to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
