

VALID™

DEPOSITION AID DRIFT REDUCTION AGENT ANTIFOAM-DEFOAMER

GUARANTEE:

Lecithin, emulsifiers, glycols and dimethylpolysiloxane
defoamer.....100%

CAUTION

Keep Out of Reach of Children

Net Contents: 3.785 L

SHAKE WELL BEFORE USE.

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wear chemical resistant gloves.

FIRST AID

If in Eyes: Flush with water for 15 minutes, and then get medical attention.

If on Skin: Remove contaminated clothing Wash with soap and water. Get medical attention if irritation develops.

If Swallowed: Call a physician immediately. Drink two (2) glasses of water. Induce vomiting.

If Inhaled: Remove victim to fresh air; apply artificial respiration if necessary.

General: **VALID** is a non-foaming and shear tolerant drift reduction agent containing suspended antifoam-defoamer. **VALID** may be used as a drift reduction adjuvant to enhance deposition, retention, and control spray droplet size of agricultural and non-crop chemicals. **VALID** improves deposition by increasing initial adhesion of droplets to the surface of hard to wet plants (reducing bounce and run-off). **VALID** will not increase viscosity of spray solution, reduce the flow rate or affect the angle of the spray nozzle. **VALID** reduces drift by producing a more uniform droplet size and a more uniform spray pattern. The degree of drift hazard varies with the type of pesticide and application conditions. Common sense and sound application technology must be followed when spraying pesticides. **VALID** will reduce, but not eliminate drift. **VALID** is compatible with most pesticides formulations including water-soluble, flowable, wettable powders and formulations containing boron.

Application may be by ground or air.

Directions for Use: **VALID** may be used on and has demonstrated excellent plant safety on a wide variety of crops.

General Use:

The antifoamer-defoamer is suspended in **VALID** and may separate during storage but is easily re-suspended by shaking. **VALID** should be added to the spray tank before adding pesticides to prevent foaming.

Drift Reduction:

125 mL per 100 Litres of spray mixture.

Environmental Hazards: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

Do not contaminate water when cleaning equipment or disposing of equipment wash-waters.

Storage: Store in a cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container. Product will become thicker at cold temperatures but effectiveness of the product will not be affected. Warm product before use.

Disposal: Do not contaminate water, food or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities.

NOTICE IT IS IMPOSSIBLE TO ELIMINATE ALL RISKS INHERENTLY ASSOCIATED WITH THE USE OF THIS PRODUCT. CROP INJURY, INEFFECTIVENESS, OR OTHER UNINTENDED CONSEQUENCES MAY RESULT BECAUSE OF SUCH FACTORS AS WEATHER CONDITIONS, PRESENCE OF OTHER MATERIALS, OR THE MANNER OF USE OR APPLICATION, ALL OF WHICH ARE BEYOND THE CONTROL OF LOVELAND, THE MANUFACTURER OR SELLER. IN NO CASE SHALL LOVELAND, THE MANUFACTURER OR SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER.

EXCEPT AS EXPRESSLY PROVIDED HEREIN, LOVELAND, THE MANUFACTURER OR SELLER MAKES NO WARRANTIES, GUARANTEES, OR REPRESENTATIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED, OR BY USAGE OF TRADE, STATUTORY OR OTHERWISE, WITH REGARD TO THE PRODUCT SOLD, INCLUDING, BUT NOT LIMITED TO, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, USE OR ELIGIBILITY OF THE PRODUCT FOR ANY PARTICULAR TRADE USAGE. BUYER'S OR USER'S EXCLUSIVE REMEDY, AND LOVELAND'S, THE MANUFACTURER'S OR SELLER'S TOTAL LIABILITY, SHALL BE FOR DAMAGES NOT EXCEEDING THE COST OF THE PRODUCT.
