

# GRIGG® CARBOPLEX®

## RATE RECOMMENDATIONS FOR PROFESSIONAL USE ONLY

To prevent or correct nutrient deficiencies, apply GRIGG CARBOPLEX as a foliar spray early in the morning or late afternoon. Allow 3-6 hours for drying time before irrigation. Best to apply after mowing. For soil applications, apply when temperatures in the root zone exceed 50°F and environmental conditions favor turf growth.

**Foliar Applications:** Apply as needed every 7-14 days.

**Tees, Greens:** 6-12 fl oz per 1,000 sq ft or 2-4 gal per acre [20-40 L per hectare].

**Fairways, Sports Field:** 9-12 fl oz per 1,000 sq ft or 3-4 gal per acre [30-40 L per hectare].

**Soil Applications:** Apply as needed every 7-21 days.

**Tees, Greens:** 9-12 fl oz per 1,000 sq ft or 3-4 gal per acre [30-40 L per hectare].

**Fairways, Sports Fields:** 12-15 fl oz per 1,000 sq ft or 4-5 gal per acre [40-50 L per hectare].

Make frequent applications at lower rates, or apply higher rates at times of greater plant demand. Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

This product is not intended for use on food crop sites.

## MIXING AND HANDLING INSTRUCTIONS

Agitate before use. For foliar applications, apply in 1-2 gal of water per 1,000 sq ft (44-88 gal of water per acre) [400-800 L of water per hectare]. For soil applications, apply in a minimum of 2 gal of water per 1,000 sq ft (88 gal of water per acre) [800 L of water per hectare] and apply light irrigation following application. Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

Derived from monoammonium phosphate, potassium nitrate, urea, iron amino acid complex, manganese amino acid complex, zinc amino acid complex, potassium hydroxide and kelp (*Ascophyllum nodosum*). F76

GRIGG Proven Foliar™ is the turf grass industry's premier foliar nutrient line backed by years of innovation, research and proven results.

NOTE: This product may stain. Keep off unwanted areas such as sidewalks, patios, driveways, fences, painted areas. As a precaution, wash off unwanted areas with water immediately after application.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices.

In Virginia, this lawn fertilizer, which contains phosphorus, is intended only for nonagricultural use on (i) turf during its first growing season, (ii) turf areas being repaired or renovated, and (iii) turf where a soil test performed within the last 3 years indicates a phosphorus deficiency. This fertilizer is not intended for the routine maintenance of turf.

Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the container or label.

**Precautionary Statements:** Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local authority requirements.

**LIMITED WARRANTY:** Brandt Consolidated, Inc. ("BCI") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. BCI and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, BCI and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
