

2024 DOMESTIC PRODUCTS LIST

If you are a home or property owner who does not have a valid pesticide applicators license or you don't generate the majority of your income from farming your property, Even Spray cannot sell you anything other than domestically labelled products. Our company is bound by law with regard to the sale of commercial products.

Assuming we have inventory at any given time, the following products are what we are legally allowed to sell to customers not possessing a valid pesticide applicators license or who own and operate a farm.

* Prices are a guideline and are subject to change.*

* All prices are before taxes.*

* Information listed below are general guidelines. Please consult product label prior to using.*

BOBBEX DEER REPELLENT

- Works via smell and taste aversion.
- Will persist through a number of rains and watering.
- Available in 10 liter and 3.78 liter concentrate form.
- Concentrate rate: mix 5 parts of water to one part of Bobbex.
- **Price = 10 liter = \$305.97**
3.78 liter = \$146.15
- **1.42 liter ready to use option also available = \$37.10**

ANIMAL B GONE

- Works via smell and taste aversion.
- Comes in ready to use format.
- **Price = \$17.55**

POND MANAGEMENT

BACTRIPOND - 5 KG BAG (200 X 25 GRAM TOSS-N-GO SOLUPAKS) 500 GRAM BAG SIZE (50 X10 TOSS-N-GO SOLUPAKS)

- Impedes the growth and occurrence of algae.
- Naturally degrades organic, suspended, and dissolved solids.
- Non-toxic to fish and wildlife when used and applied as recommended.
- Initial priming rate: 100 grams/acre foot/week/ for 2 weeks.
- Maintenance rate: 200-500 grams per acre foot per week after initial priming applications.
- **Price = 5 kg - \$231.55/500 gram - \$49.80**

TRUE BLUE LAKE AND POND DYE - 3.78 LITER OR 6 X 148 GRAM SOLUPAKS

- Long lasting natural blue color.
- Easy to use, highly concentrated formula.
- Safe to fish and wildlife.
- Liquid rate: 946 ml/acre foot.
- EZ Pak Rate: 1 pak/acre foot or 325,000 US gallons.
- **Price = 3.78 liter or 6 x 148 gram solupaks.**

JET BLACK LAKE AND POND DYE - 6 X 148 GRAM SOLUPACKS

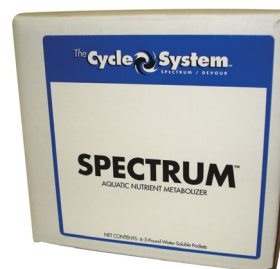

- Imparts a black reflective color.
- Non-toxic to fish and wildlife.
- Safe to use in irrigations ponds.
- **Price = \$112.30**

DEVOUR WASTE AND SLUDGE REMOVER - 6 X 277 GRAM WATER SOLUBLE PACKETS

- Blend of enzymes and bacteria that accelerate the breakdown of partially decomposed organic matter.
- Reduces need for bottom dredging.
- Maintenance rate: 680-907 grams per acre of surface treated.
- **Price = \$187.35**

SPECTRUM NUTRIENT BALANCER - 6 X 227 GRAM WATER SOLUBLE PACKETS

- Proprietary formula of bacteria reduces nutrient levels and suspended organic matter in water improving water clarity and quality.
- Reduces the need for algacides and mechanical harvesting.
- Maintenance rate: 680-907 grams per care of surface treated.
- **Price = \$154.65**
