Sprayers and No-Drift Applicators

DANDY-LION KILLER NO-DRIFT APPLICATORS

This gravity fed applicator features the “Tru-Kleen” tank that ensures the solution in the tank completely empties. The no-drift design allows you to get as close to non-target areas on established turf without fear of overspray or drift.

Too windy to spray? Not an issue with these applicators! The manifold tube distributes the solution evenly across the roller ensuring good coverage. Stocked in 2 sizes with repair parts available.

- WR36: 3-gallon push-type with adjustable handle; 36" wide roller.
- WR48: 12-gallon pull-type with adjustable hitch; 48" wide roller.
- WR72: 25-gallon pull-type; 72" wide roller – SPECIAL ORDER ONLY.
